Mr. Dan D. Coyle
Director of Athletic Publicity
Princeton University
Princeton, New Jersey

Dear Mr. Coyle:

I have received the press pass for the basketball game at Princeton on the nineteenth of February. I would also like a clearance to broadcast the hockey game from Princeton on the twenty-second of February. I would appreciate it if you would send me this clearance and a pass admitting four to this game.

We, naturally, will be carrying the two Princeton games that will be held up here. If there is anything that we at WYBC can do for your office, please do not hesitate to let me know.

Sincerely yours,

Karl Honeystein
Program Director
